\*Please note these are total fees-childcare fees plus meal fees, and that the 2.7% increase has been added to Childcare fees only.

These fees also reflect the BC Government's Fee Reduction Initiative (CCFRI).

The "Fee Reduction Initiative" reduces full-time preschool spaces by \$545 monthly and full time toddler spaces by \$900 monthly.

This CCFRI reduction needs to be reapplied for every year.

If for any reason the government decides to stop the CCFRI then childcare fees will return to the original amount under the Childcare Fee heading in the chart above.

**Please be aware we are not going to be applying for \$10 a day childcare fee anytime soon.**
